Case No. 2:14-cv-01149-CCC-MF

CLASS ACTION

STIPULATION OF SETTLEMENT

This Stipulation of Settlement (the “Stipulation”) is made and entered into, under Federal Rule of Civil Procedure 23 and Federal Rule of Evidence 408, between the following parties: (1) Lead Plaintiff Warren H. Schuler and named plaintiff David Serr (together, “Plaintiffs”), on behalf of all Class Members pled in this Action, and (2) Defendants The Medicines Company (“MDCO” or the “Company”), Clive A. Meanwell, Glenn P. Sblendorio, and Paul M. Antinori (collectively the “Defendants”). Plaintiffs together with Defendants are the “Settling Parties.” Subject to the Court’s approval, the Stipulation is intended to fully, finally, and forever resolve, discharge, and settle the Released Claims upon and subject to the terms and conditions hereof.

I. THE LITIGATION

A. Procedural History

On February 21, 2014, Plaintiff David Serr commenced a securities class action against Defendants, asserting claims under Sections 10(b) and 20(a) of the Securities and Exchange Act of 1934 (the “Exchange Act”), and Rule 10b-5 promulgated thereunder.

On July 18, 2014, Warren Schuler was appointed Lead Plaintiff and Pomerantz LLP was appointed Lead Counsel. On September 17, 2014, Lead Plaintiff filed the Corrected First

Amended Complaint alleging violations of Sections 10(b) and 20(a) and Rule 10b-5 under the Exchange Act.

Defendants moved to dismiss on November 17, 2014. On June 22, 2015, after Defendants' motion was fully briefed, the FDA approved cangrelor "as an adjunct to percutaneous coronary intervention (PCI) to reduce the risk of periprocedural myocardial infarction (MI), repeat coronary revascularization, and stent thrombosis in patients who have not been treated with a P2Y₁₂ platelet inhibitor and are not being given a glycoprotein IIb/IIIa inhibitor." On July 16, 2015, the Court heard oral argument on Defendants' motion to dismiss. At the conclusion of the argument, the Court recommended that the parties pursue mediation.

On November 2, 2015, during a full-day confidential mediation session with Jed Melnick, Esq., Plaintiffs and Defendants reached an agreement to settle this Action, which they memorialized in a Memorandum of Understanding dated November 18, 2015.

B. Plaintiffs' Assessment of the Claims and Benefits of Settlement

Plaintiffs believe that the claims asserted in the Action are meritorious and are supported by the evidence developed to date. Additionally, Lead Counsel is familiar with the applicable law underlying the alleged claims and believes that any defenses Defendants raise can be refuted.

Nonetheless, Plaintiffs and Lead Counsel recognize the expense and length of any further prosecution of the Action against Defendants through completion of discovery, trial, and appeal. Plaintiffs and Lead Counsel are also mindful of inherent problems of proof, possible defenses to the violations asserted in the litigation, and practical impediments to judgment enforcement. Plaintiffs and Lead Counsel, based upon their thorough evaluation, believe that the Settlement set forth in the Stipulation is fair, reasonable, and adequate and in the best interests of the Class Members and that it confers substantial benefits upon Class Members. Plaintiffs and Lead Counsel shall use their best efforts to obtain final Court approval of the Settlement and to

encourage all Class Members to participate in the Settlement.

C. Defendants' Denials of Wrongdoing

Defendants deny each and all of the claims and contentions alleged by Plaintiffs in the litigation. Defendants deny all charges of wrongdoing or liability or any violation of law arising out of any the conduct, statements, acts, or omissions alleged, or that could have been alleged in the Action. Defendants have denied and continue to deny that the allegations that Plaintiffs or any Class Member has suffered damages or was harmed by any of the conduct alleged in the Action; continue to believe the claims asserted against them in the Action are without merit; and have agreed to enter into this Stipulation and Settlement solely to avoid the expense, distraction, time, and uncertainty associated with continuing the Action.

Defendants have concluded that further conduct of the Action would be protracted and expensive and that it is desirable that the Action be fully and finally settled in the manner and upon the terms and conditions set forth in this Stipulation. Defendants also have taken into account the risks inherent in any litigation, especially in complex cases such as this one, Defendants have therefore determined that it is desirable and beneficial to them that the Action be settled in the manner and upon the terms and conditions set forth in this Stipulation.

F. Releases, Covenants Not to Sue, and Permanent Injunction

5.0 The obligations incurred pursuant to this Stipulation shall be in full and final disposition of the Action as to Released Defendant Parties and any and all Released Claims.

5.1 By operation of this Stipulation and the Judgment, upon the Effective Date, Releasing Plaintiffs shall have and shall be deemed to have fully, finally and forever released, relinquished and discharged each and every one of the Released Claims against the Released Defendant Parties, whether or not any such Releasing Plaintiff executes and delivers a Proof of Claim.

5.2 Further, by operation of this Stipulation and the Judgment, upon the Effective Date, Releasing Plaintiffs shall have and shall be deemed to have covenanted not to sue on any Released Claim against any Released Defendant Party.

5.3 Further, by operation of this Stipulation and the Judgment, upon the Effective Date, Releasing Plaintiffs shall be and shall be deemed to be permanently enjoined and forever barred from suing on, instituting, prosecuting, continuing, maintaining or asserting in any forum, either directly or indirectly, on their own behalf or on behalf of any class or other person, any Released Claim against any of the Released Defendant Parties.

G. Proof of Claim

5.4 Only those Class Members filing valid and timely Proof of Claim and Release forms shall be entitled to participate in the Settlement and receive a distribution from the Settlement Fund. The Proof of Claim and Release to be executed by Class Members shall release all Released Claims against the Released Defendant Parties, and shall be substantially in the form contained in Exhibit D attached hereto. Such Proof of Claims shall be filed ten (10) days from the date of the Final Approval Hearing, unless otherwise ordered by the Court. All Class Members not submitting valid and timely requests for exclusion shall be bound by the releases specified in ¶ 5.0, whether or not they submit a valid and timely Proof of Claim and Release.

H. Claims Administration and Distribution of the Settlement Fund

6.0 The Claims Administrator shall administer and calculate the claims submitted by Class Members and shall oversee distribution of the Net Settlement Fund to Authorized Claimants. The distribution checks will be drawn upon the Settlement Fund.

6.1 Defendants and their insurance carriers shall have no involvement in reviewing or challenging claims and shall have no responsibility or liability for the allocation of the Settlement Fund among the Class Members or the allocation of any Fee and Expense Award or Compensatory Award. Any such awards shall be paid solely by the Settlement Fund.

6.2 The Settlement Fund shall be applied as follows:

- (i) To pay Taxes and Tax Expenses;
- (ii) To pay Notice & Administration Costs;
- (iii) To pay a Fee and Expense Award to Lead Counsel as provided in ¶ 7.1, to the extent allowed by the Court;
- (iv) To pay a Compensatory Award to Lead Plaintiff as provided in ¶ 7.5, to the extent allowed by the Court; and

- (v) Upon court approval, to distribute the Net Settlement Fund to the Authorized Claimants as allowed by this Stipulation, the Plan of Allocation, or the Court.

6.3 Upon the entry of the Judgment and thereafter, subject to ¶¶ 2.4–2.6 and in accordance with the terms of the Plan of Allocation, or such further approval and further order(s) of the Court as may be necessary or as circumstances may require, the Net Settlement Fund shall be distributed to Authorized Claimants subject to and in accordance with the following:

- (i) Each Class Member claiming to be an Authorized Claimant shall be required to submit to the Claims Administrator a completed Proof of Claim, substantially in the form of Exhibit D hereto, signed under penalty of perjury and supported by such documents as specified in the Proof of Claim or such other documents or proof, as are reasonably available to the Authorized Claimant, as Lead Counsel, in their discretion, may deem acceptable, no later than five (5) days before the Final Approval Hearing, unless otherwise ordered by the Court;
- (ii) Except as otherwise ordered by the Court, all Class Members who fail to timely submit a Proof of Claim and Release by the Bar Date, or who file a Proof of Claim that is rejected, shall be forever barred from receiving any payments pursuant to this Stipulation and Settlement, but will in all other respects be subject to and bound by the provisions of this Stipulation, the Releases, and the Judgment and will be barred and enjoined from bringing any action against the Released Defendant Parties concerning the Released Claims.

6.4 No Person shall have any claim against Plaintiffs, Lead Counsel, Defendants, Defendants' Counsel, the Claims Administrator, the Escrow Agent or any other agent designated by Lead Counsel based on distribution determinations or claim rejections made substantially in

accordance with this Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court.

6.5 The Net Settlement Fund shall be distributed to the Authorized Claimants substantially in accordance with a Plan of Allocation to be described in the Notice and approved by the Court. However, if there is any balance remaining in the Net Settlement Fund after six (6) months from the date of distribution of the Net Settlement Fund (whether by reason of tax refunds, uncashed checks or otherwise), the Claims Administrator under the supervision of Lead Counsel shall, if feasible, reallocate such balance among Authorized Claimants in an equitable and economic fashion. Thereafter, any balance that still remains in the Net Settlement Fund shall be donated to such not-for-profit as the Court may direct and approve.

6.6 This is not a claims-made settlement. If all conditions of the Stipulation are satisfied and the Settlement becomes Final, no portion of the Settlement Fund will be returned to the Defendants or their insurance carriers.

6.7 The Released Defendant Parties shall have no responsibility for, interest in, or liability whatsoever with respect to: (i) any act, omission or determination of Lead Counsel, the Escrow Agent or the Claims Administrator, or any of their respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the administration, management, investment, allocation or distribution of the Settlement Fund; (iii) the Plan of Allocation; (iv) the determination, administration, calculation or payment of any claims asserted against the Settlement Fund; (v) any losses suffered by, or fluctuations in the value of, the Settlement Fund; or (vi) the payment or withholding of any Taxes or Tax Expenses.

6.8 It is understood and agreed by the Settling Parties that any proposed Plan of Allocation of the Net Settlement Fund including, but not limited to, any adjustments to an

Authorized Claimant's claim set forth therein, is not a part of this Stipulation and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the Settlement set forth in this Stipulation, and any order or proceedings relating to the Plan of Allocation shall not operate to terminate or cancel this Stipulation or affect the finality of the Court's Judgment approving this Stipulation and the Settlement set forth therein, or any other orders entered pursuant to this Stipulation.

I. Attorneys' Fees and Expenses and Lead Plaintiff's Compensatory Award

7.0 Lead Counsel may submit an application or applications (a "Fee and Expense Application") for payments to Lead Counsel from the Settlement Fund for: (a) an award of attorneys' fees; plus (b) reimbursement of actual costs and expenses, including the fees and expenses of experts or consultants, incurred in connection with prosecuting the Action. Lead Counsel reserves the right to make additional applications for fees and expenses incurred, if necessary.

7.1 Any award of attorneys' fees, costs, and expenses approved by the Court ("Fee and Expense Award") shall be payable to Lead Counsel from the Settlement Fund within ten (10) days after the entry of the Court's order awarding such fees and expenses, notwithstanding any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof, subject to the joint and several obligation of all counsel who receive any award of attorneys' fees and costs to make full refunds or repayments to the Settlement Fund plus interest earned thereon if, as a result of any appeal and/or further proceedings on remand or successful collateral attack, the award is lowered or the Settlement is disapproved by a final order.

7.2 If the Fee and Expense Award is reduced or reversed on appeal, Lead Counsel shall make all necessary refunds and repayments into the Settlement Fund within five (5) days of

a final order by the Court of Appeals or the Supreme Court directing such reduction or reversal, which shall be distributed by the Escrow Agent to the Class pursuant to the manner directed in the final order.

Lead Counsel further agrees to refund any Fee and Expense Award paid to Lead Counsel in the event that this Settlement Terminates ; in such situation, payment of all of the Fee and Expense Award shall be made by Lead Counsel into the Settlement Fund within five (5) days thereof, and shall thereafter be distributed by the Escrow Agent pursuant to the terms of ¶ 8.2(iii).

7.3 The procedure for and allowance or disallowance by the Court of any application by Lead Counsel for attorneys' fees and expenses, including the fees and expenses of experts and consultants, to be paid out of the Settlement Fund, are not part of the Settlement set forth in this Stipulation and are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the Settlement set forth in this Stipulation. Any order or proceedings relating to a Fee and Expense Application, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to modify, terminate or cancel this Stipulation, or affect or delay the finality of the Judgment approving this Stipulation and the Settlement of the Action.

7.4 Defendants agree that they will not oppose Lead Counsel's Fee and Expense Application or Lead Plaintiff's application for a Compensatory Award.

7.5 The Released Defendant Parties shall have no responsibility for, and no liability whatsoever with respect to:

- (i) the allocation of any attorneys' fees or costs among any counsel or to any other Person;

- (ii) any payment to Lead Counsel or any other Plaintiffs' Counsel and/or any other Person who receives payment from the Settlement Fund;
- (iii) the allocation among Lead Counsel, and/or any other Person who may assert some claim thereto, of any Fee and Expense Award that the Court may make in the Action; or
- (iv) any obligation of Lead Counsel to make appropriate refunds or repayments to the Settlement Fund or interest earned thereon.

7.6 Lead Counsel may submit an application to the Court to authorize the payment of an award from the Settlement Fund to Lead Plaintiff for his service to the Class in this Action ("Compensatory Award"). Subject to the payment terms in ¶ 2.0, payment for any Compensatory Award payable in cash shall be payable to Lead Plaintiff five (5) days after the Effective Date.

J. Effect of Disapproval, Cancellation or Termination

8.0 The Effective Date of the Stipulation shall be conditioned upon the occurrence of all of the following events:

- (i) The Company has caused the contributions to be made to the Settlement Fund pursuant to ¶ 2.0;
- (ii) the Court has approved the Settlement following notice to the Class and a hearing in accordance with Rule 23 of the Federal Rules of Civil Procedure
- (iii) the Court has entered the Judgment; and
- (iv) the Judgment has become Final.

Any appeal or delay in (a) the approval of the Plan of Allocation, (b) the consideration of any Fee and Expense Application, or (c) the granting of a Compensatory Award to Lead Plaintiff, shall not affect, alter, or delay the occurrence of the Effective Date.

8.1 Upon the occurrence of the Effective Date, any and all interest or right of Defendants in or to the Settlement Fund, if any, shall be absolutely and forever extinguished, except as set forth in this Stipulation. The Settlement Fund shall be distributed in accordance with ¶ 6.2 hereof.

8.2 Unless otherwise ordered by the Court, if the Settlement Terminates

- (i) The Settlement and the Stipulation shall be canceled and terminated without prejudice to the Settling Parties and shall be null and void and shall have no further force or effect, with the exceptions provided in this ¶ 8.2;
- (ii) The Settling Parties shall revert to their respective positions in the Action as of October 30, 2015 and, except as otherwise provided herein, the Settling Parties shall proceed in all respects as if the Stipulation and any related orders had not been entered.
- (iii) Within five (5) days after written notification that the Settlement has Terminated is sent by Defendants' Counsel or Lead Counsel to the Escrow Agent, subject to the terms of ¶ 2.10 hereof, the Settlement Amount (including accrued interest), less any expenses and any costs which have either been properly disbursed pursuant to ¶¶ 2.4–2.7 hereof, or are determined to be chargeable to the Settlement Fund or the notice and administration of the Settlement pursuant to ¶ 2.8 hereof, shall be refunded by the Escrow Agent to the appropriate sources of the funds in proportion to their contribution to the Settlement Fund, plus accrued interest attributable to that amount by check or wire transfer pursuant to written instructions from Defendants' Counsel. At the request of Defendants' Counsel, the Escrow Agent or its designee shall apply for any tax refund owed to the

Settlement Fund and pay the proceeds, after deduction of any fees or expenses reasonably incurred in connection with such application(s) for refund, to the appropriate source.

- (iv) With the exception of ¶¶ 1.0–1.43; 8.2; 9.0–9.2 hereof, no provision of the Stipulation shall have no further force and effect and shall not be used in this Action or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of this Stipulation shall be treated as vacated, *nunc pro tunc*. No order of the Court or modification or reversal on appeal of any order of the Court concerning the Plan of Allocation or the amount of any attorneys' fees, costs, expenses and interest awarded by the Court to Lead Counsel shall constitute grounds for cancellation or termination of the Stipulation.
- (v) Neither Lead Plaintiffs nor Lead Counsel shall have any obligation to repay any amounts actually and properly disbursed from the Notice & Administration Fund. In addition, any reasonable expenses already incurred and properly chargeable to the Notice & Administration Fund pursuant to this Stipulation at the time of such termination or cancellation, but which have not been paid, shall be paid by the Escrow Agent in accordance with the terms of the Stipulation before the balance being refunded in accordance with ¶ 8.2.

K. Miscellaneous Provisions

9.0 The Defendants deny any wrongdoing whatsoever, and this Stipulation shall in no event be construed or deemed to be evidence of, or an admission or concession on the part of Defendants with respect to any claim of any fault or liability or wrongdoing or damage

whatsoever, or any infirmity in any defenses that Defendants have asserted or could assert in the Action or any other action.

9.1 This Stipulation, whether or not consummated, and any proceedings taken pursuant to it:

- (i) shall not be offered or received against any Released Defendant Party as evidence of or construed as or deemed to be evidence of any presumption, concession, or admission by any Released Defendant Party with respect to the truth of any fact alleged by Releasing Plaintiff or the validity of any claim that has been or could have been asserted in the Action or in any other action, or the deficiency of any defense that has been or could have been asserted in the Action or in any other action, or of any liability, negligence, fault, or wrongdoing of any Released Defendant Party; provided, however, that if this Stipulation is approved by the Court, the Released Defendant Parties may offer or refer to it to effectuate its terms, including the releases granted them hereunder;
- (ii) shall not be offered or received against any Released Defendant Party as evidence of a presumption, concession or admission of any fault, misrepresentation or omission with respect to any statement or written document approved or made by any Released Defendant Party; and
- (iii) shall not be construed against any Released Defendant Party as an admission or concession that the consideration to be given hereunder represents the amount that could be or would have been recovered after trial.

9.2 The Settling Parties, and each of them, shall not assert or pursue any action, claim or rights that any party hereto violated any provision of Federal Rule of Civil Procedure 11 or

otherwise seek reimbursement or shifting of attorneys' fees or other costs associated with this litigation. Further, the Settling Parties, and each of them, will not deny in any statement made to any media representative that the Action is being settled voluntarily after consultation with competent counsel. The Settling Parties, and each of them, and their respective counsel agree that the Action was resolved in good faith, following arm's length bargaining.

9.3 The Settling Parties acknowledge that it is their intent to consummate this agreement; and agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Stipulation and to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Stipulation. Lead Counsel and Defendants' Counsel agree to cooperate with one another in seeking Court approval of the Order for Notice and Hearing, the Stipulation and the Settlement, and to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Settlement.

9.4 The Settling Parties intend this Stipulation to be a final and complete resolution of all disputes between them with respect to the Action as well as any disputes which could have been raised in the Action by Plaintiffs or the Class against the Released Defendant Parties, and each or any of them, on the one hand, and by the Released Defendant Parties, and each or any of them, against Plaintiffs or the Class, on the other hand. Accordingly, the Settling Parties agree not to assert in any forum or, in any statement made to any media representative (whether or not for attribution) that the Action was brought by Plaintiffs or defended by any the Defendants, or each or any of them, in bad faith or without a reasonable basis. The Judgment will contain a statement that during the course of the Action, the Settling Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11. The Settling

Parties further agree that the amount paid to the Settlement Fund and the other terms of the Settlement were negotiated at arm's length and in good faith by the Settling Parties, and reflect a settlement that was reached voluntarily after consultation with competent legal counsel.

9.5 Plaintiffs, Lead Counsel, and the attorneys, staff, experts, and consultants assisting them in this Action agree that (a) they will not intentionally assist or cooperate with any person or entity in the pursuit of legal action related to the subject matter of this Action against the Defendants, (b) they will not intentionally assist or cooperate with any person or entity seeking to publicly disparage or economically harm the Defendants with respect to any matter relating to the subject matter of this Action, and (c) they will not discuss any confidential matters related to this Action or the Settlement with anyone.

9.6 Except as otherwise provided herein, all agreements made and orders entered during the course of the Litigation relating to the confidentiality of information shall survive this Stipulation.

9.7 The Memorandum of Understanding dated November 18, 2015 shall remain confidential after this Stipulation is filed with the Court.

9.8 Defendants agree to reasonable cooperation with Lead Counsel to the extent necessary to permit Lead Counsel to conduct additional due diligence and confirmatory discovery with respect to the factual and legal issues in the Action, the Settlement, and the fairness of its terms as set forth in the Stipulation.

9.9 If this Stipulation is approved by the Court, any of the Settling Parties or any of the Released Defendant Parties may file this Stipulation and/or Judgment in any action that may be brought against such party or parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or

reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

9.10 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

9.11 The waiver by one party of any breach of this Stipulation by any other party shall not be deemed as a waiver of any other prior or subsequent breaches of this Stipulation.

9.12 All of the Exhibits to this Stipulation are material and integral parts hereof and are fully incorporated herein by this reference.

9.13 This Stipulation may be amended or modified only by a written instrument signed by or on behalf of all Settling Parties or their respective successors-in-interest.

9.14 This Stipulation and the Exhibits attached hereto constitute the entire agreement among the Settling Parties and no representations, warranties, or inducements have been made to any Settling Party concerning this Stipulation or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents. Except as otherwise provided herein, each Settling Party shall bear its own costs.

9.15 Each counsel or other Person executing this Stipulation, any of its Exhibits, or any related settlement documents on behalf of any Settling Party hereto hereby warrants and represents that such Person has the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

9.16 This Stipulation may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument provided that counsel for the Settling Parties to this Stipulation all exchange original signed counterparts.

9.17 This Stipulation shall be binding upon, and inure to the benefit of, the successors and assigns of the Settling Parties, the Releasing Plaintiffs, and the Released Defendant Parties.

9.18 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Stipulation, and all Settling Parties submit, and the Releasing Plaintiffs shall be deemed to submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement embodied in this Stipulation.

9.19 This Stipulation and the Exhibits thereto shall be considered to have been negotiated, executed and delivered, and to be wholly performed, in the State of New York and the rights and obligations of the parties to this Stipulation shall be construed and enforced in accordance with, and governed by, the internal, substantive laws of the State of New York without giving effect to that State's choice of law principles.

9.20 This Stipulation has been and shall be deemed to have been prepared by counsel for each of every Settling Party, as a result of arm's-length negotiations among the Settling Parties. Whereas all Settling Parties have contributed substantially and materially to the preparation of this Stipulation, it shall not be construed more strictly against one such party than another.

9.21 Whenever this Stipulation requires or contemplates that a Settling Party shall or may give notice to the other, notice shall be provided by electronic mail, or next-day (excluding Saturday and Sunday) express delivery service as follows and shall be and be deemed to be effective upon such transmission or delivery to the address set forth below:

CLASS ACTION

**[PROPOSED] ORDER PRELIMINARILY APPROVING
SETTLEMENT AND PROVIDING FOR NOTICE**

WHEREAS, the Settling Parties have applied under Federal Rule of Civil Procedure 23(e) for an order preliminarily approving the Settlement of this Action, under the terms and conditions set forth in a Stipulation of Settlement dated February 12, 2016 (the “Stipulation”);

WHEREAS, the Court has reviewed the Stipulation and the Exhibits annexed thereto.

Accordingly, it is hereby ORDERED:

1. The Court preliminarily approves the Settlement as set forth in the Stipulation, subject to further consideration at the Final Approval Hearing. Unless otherwise defined, all terms used herein shall have the same meanings as set forth in the Stipulation.

2. The Court preliminarily certifies, for purposes of settlement only, the following Class:

All persons who purchased or otherwise acquired the securities of The Medicines Company (“MDCO” or the “Company”) between January 8, 2013 and February 12, 2014, both dates inclusive (the “Class Period”).

Excluded from the Class are:

- a. Persons or entities who submit valid and timely requests for exclusion from the Class; and
- b. Defendants; the officers and directors of the Company at all relevant times; members of the immediate families of each Defendant; any person or entity in which any Defendant has a controlling interest or which is related to or affiliated with any Defendant; and the legal representatives, agents, heirs, successors or assigns of any such excluded party.

3. On _____, at _____ .m., a hearing (the “Final Approval Hearing”) shall be held before this Court, at the Martin Luther King Building & U.S. Courthouse, 50 Walnut Street, Courtroom 2B, Newark, New Jersey 07101, for the following purposes:

- a. to determine whether the proposed Settlement of the Action on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate to the Class and should be approved by the Court;
- b. to determine whether a Judgment as provided in the Stipulation should be entered;

- c. to determine whether the proposed Plan of Allocation should be approved;
 - d. to determine any amount of fees, costs and expenses that should be awarded to Lead Counsel and Lead Plaintiff for their service to the Class;
 - e. to hear any objections by Class Members to the Stipulation, Plan of Allocation, or any award of fees and expenses to Lead Counsel or to Lead Plaintiff; and
 - f. to consider such other matters as the Court may deem appropriate.
4. The Court appoints for settlement purposes only the firm of Epiq Systems, Inc. (the “Claims Administrator”) to supervise and administer the notice procedure and the processing of claims, as more fully set forth below:
- a. The Defendants shall cooperate reasonably and in good faith in providing documents and information to assist Plaintiffs in identifying Class Members;
 - b. Not later than _____ (the “Notice Date”), Lead Counsel or the Claims Administrator shall cause a copy of the Notice of Proposed Settlement of Class Action, Motion for Attorneys’ Fees and Expenses, and Settlement Fairness Hearing (“Notice”) and the Proof of Claim and Release form (“Proof of Claim”), substantially in the forms annexed as Exhibits A-1 and A-2 hereto, to be mailed by First-Class Mail to all Class Members who can be identified with reasonable effort and to be posted on its website;
 - c. Not later than _____, the Claims Administrator shall cause the Notice of Settlement of Class Action and Settlement Fairness Hearing (“Publication Notice”), substantially in the form annexed as Exhibit A-3 hereto, to be published once in the national edition of *Investor’s Business Daily* and once over a national newswire service; and

- d. Not later than twenty-eight (28) days before the Final Approval Hearing, Lead Counsel shall serve on Defendants' Counsel and file with the Court proof, by affidavit or declaration, of such mailing and publishing.

5. Nominees who purchased or acquired MDCO securities for the benefit of another Person during the Class Period shall be requested to send the Notice and Proof of Claim to such beneficial owners of MDCO securities within ten (10) days after receipt thereof, or send a list of the names and addresses of such beneficial owners to the Claims Administrator within ten (10) days of receipt thereof, in which event the Claims Administrator shall promptly mail the Notice and Proof of Claim to such beneficial owners.

6. The form and content of the notice program described herein, and the methods set forth herein for notifying the Class of the Settlement, the Fee and Expense Application, and the Plan of Allocation meet the requirements of Federal Rule of Civil Procedure 23, Section 21D(a)(7) of the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4(a)(7), and due process, constitute the best notice practicable under the circumstances, and shall constitute due and sufficient notice to all Persons entitled thereto.

7. Other than the cost of providing (or causing to be provided) transfer records sufficient to identify Class Members (to the extent reasonably possible) to the Claims Administrator, all fees, costs, and expenses incurred in identifying and notifying members of the Class shall be paid from the Settlement Fund as set forth in ¶¶ 2.6–2.8 of the Stipulation, and in no event shall any of the Released Defendant Parties bear any responsibility for such fees, costs, or expenses.

8. All Releasing Plaintiffs (except Persons who request exclusion pursuant to ¶ 12 below) shall be bound by all determinations and judgments in the Action concerning the Settlement, including but not limited to the releases, covenants not to sue, and permanent injunctions provided for therein (whether favorable or unfavorable to the Class), regardless of whether such Persons seek or obtain by any means (including without limitation by submitting a Proof of Claim or any similar document) any distribution from the Settlement Fund or the Net Settlement Fund.

9. Class Members who wish to participate in the Settlement shall complete and submit a Proof of Claim in accordance with the instructions contained therein. Unless the Court orders otherwise, all Proofs of Claim must be postmarked or submitted electronically no later than _____. Any Class Member who does not submit a Proof of Claim within the time provided shall be barred from sharing in the distribution of the proceeds of the Net Settlement Fund, unless otherwise ordered by the Court, but shall nevertheless be bound by any final judgment entered by the Court. Notwithstanding the foregoing, Lead Counsel shall have the discretion to accept late-submitted claims for processing by the Claims Administrator so long as distribution of the Net Settlement Fund is not materially delayed thereby. Plaintiffs' Counsel shall not incur any liability for declining to accept any late-submitted claim.

10. The Proof of Claim submitted by each Class Member must satisfy the following conditions, unless otherwise ordered by the Court:

- a. it must be properly completed, signed and submitted in a timely manner in accordance with the provisions of the preceding subparagraph;
- b. it must be accompanied by adequate supporting documentation for the transactions reported therein, in the form of broker confirmation slips, broker

account statements, an authorized statement from the broker containing the transactional information found in a broker confirmation slip, or such other documentation as is deemed adequate by Lead Counsel or the Claims Administrator;

- c. if the person executing the Proof of Claim is acting in a representative capacity, a certification of her current authority to act on behalf of the Class Member must be included in the Proof of Claim;
- d. it must be complete and contain no material deletions or modifications of any of the printed matter contained therein; and
- e. it must be signed under penalty of perjury.

11. Any Class Member may enter an appearance in the Action, at his, her, or its own expense, individually or through counsel of their own choice. If they do not enter an appearance, they will be represented by Lead Counsel.

12. Any Class Member may, upon request, be excluded or “opt out” from the Class. Any such Person must submit to the Claims Administrator a request for exclusion (“Request for Exclusion”), received no later than twenty-one (21) days before the Final Approval Hearing. A Request for Exclusion must be signed and state: (a) the name, address, and telephone number of the Person requesting exclusion; (b) the Person’s purchases, acquisitions, sales, and dispositions of MDCO securities during the Class Period, including the dates, the number of securities purchased, acquired, or sold, and the price paid or received for each such purchase or sale; and (c) that the Person wishes to be excluded from the Class. All Persons who submit valid and timely Requests for Exclusion in the manner set forth in this paragraph, and who do not timely revoke the Request for Exclusion in the manner set forth in the following paragraph, shall have

no rights under the Stipulation, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Stipulation or any final judgment.

13. A Class Member may revoke a previously-submitted Request for Exclusion by submitting a written request to the Claims Administrator such that it is received no later than seven (7) days before the Final Approval Hearing. A revocation of a Request for Exclusion must be signed, must provide the Class Member's name, address, and telephone number, and must state that the Class Member wishes to revoke his or her Request for Exclusion.

14. Lead Counsel shall cause to be provided to Lead Counsel and Defendants' Counsel copies of all Requests for Exclusion, and any written revocations of Requests for Exclusion, as expeditiously as possible and in any event not less than seventeen (17) days before the Final Approval Hearing for Requests for Exclusion and five (5) days before the Final Approval Hearing for revocations of Requests for Exclusion.

15. Any Class Member may appear and object if he, she, or it has any reason why the proposed Settlement of the Action should not be approved as fair, reasonable and adequate, why a judgment should not be entered thereon, why the Plan of Allocation should not be approved, why a Fee and Expense Award should not be granted, or why a Compensatory Award should not be awarded; provided, however, that no Class Member or any other Person shall be heard or entitled to contest the approval of the terms and conditions of the proposed Settlement (or, if approved, the Judgment to be entered thereon approving the same), or the order approving the Plan of Allocation, or any Fee and Expense Award or Compensatory Award, unless written objections and copies of any papers and briefs are received by Pomerantz LLP, Jeremy A. Lieberman, 600 Third Avenue, 20th Floor, New York, NY 10016; and Wilmer Cutler Pickering Hale and Dorr LLP, Michael G. Bongiorno, 7 World Trade Center, 250 Greenwich Street, New

York, New York 10007, on or before _____; and said objections, papers, and briefs are filed with the Clerk of the United States District Court for the District of New Jersey, on or before _____. Any member of the Class who does not make his, her, or its objection in the manner provided shall be deemed to have waived such objection and shall forever be foreclosed from making any objection to the fairness, reasonableness, or adequacy of the proposed Settlement as incorporated in the Stipulation, to the Plan of Allocation, to the Fee and Expense Award, and to the Compensatory Award, unless otherwise ordered by the Court.

16. Attendance at the Final Approval Hearing is not necessary. However, Persons wishing to be heard orally in opposition to approval of the Settlement, the Plan of Allocation, or Fee and Expense Application are required to indicate in their written objection their intention to appear at the hearing. Class Members do not need to appear at the Final Approval Hearing or take any action if they do not oppose any aspect of the Settlement.

17. All funds held by the Escrow Agent shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to the Stipulation and/or further order(s) of the Court.

18. All papers in support of the Settlement, Plan of Allocation, and any Fee and Expense Application shall be filed and served no later than twenty-eight (28) days before the Final Approval Hearing, and any reply papers shall be filed and served no later than seven (7) days before the Final Approval Hearing.

19. The Released Defendant Parties shall have no responsibility for the Plan of Allocation or any Fee and Expense Application, and such matters will be considered separately from the fairness, reasonableness, and adequacy of the Settlement.

20. At or after the Final Approval Hearing, the Court shall determine whether the Plan of Allocation and any Fee and Expense Application proposed by Lead Counsel should be approved.

21. All reasonable expenses incurred in identifying and notifying Class Members as well as administering the Settlement Fund shall be paid as set forth in the Stipulation. In the event the Court does not approve the Settlement, or it otherwise fails to become effective, neither Lead Plaintiff nor Lead Counsel shall have any obligation to repay any amounts actually and properly incurred or disbursed pursuant to ¶ 2.7 of the Stipulation.

22. Neither the Stipulation nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by the Settling Parties or any other Released Defendant Parties of the truth of any of the allegations in the Action, or of any liability, fault, or wrongdoing of any kind, or offered or received in evidence, or otherwise used by any person in the Action, or in any other action or proceeding, whether civil, criminal, or administrative, in any court, administrative agency, or other tribunal, except in connection with a proceeding to enforce the terms of the Stipulation. The Released Defendant Parties, Releasing Plaintiffs, and each of their counsel may file the Stipulation and/or the Judgment in any action that may be brought against them in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

23. All proceedings in the Action are stayed. Pending final determination of whether the Settlement should be approved, no Releasing Plaintiff, either directly, representatively, or in

any other capacity, shall commence or prosecute against any of the Released Defendant Parties any action or proceeding in any court or tribunal asserting any of the Released Claims.

24. The Court reserves the right to alter the time or the date of the Final Approval Hearing without further notice to the Class Members, provided that the time or the date of the Final Approval Hearing shall not be set at a time or date earlier than the time and date set forth in ¶ 3 above, and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Settling Parties, if appropriate, without further notice to the Class.

IT IS SO ORDERED.

DATED: _____

Honorable Claire C. Cecchi
United States District Judge

EXHIBIT C

**UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY**

WARREN H. SCHULER, Individually and On
Behalf of All Others Similarly Situated,

Plaintiff,

v.

THE MEDICINES COMPANY,
CLIVE A. MEANWELL,
GLENN P. SBLENDORIO, and
PAUL M. ANTINORI,

Defendants.

Case No. 2:14-cv-01149-CCC-MF

CLASS ACTION

**NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION, MOTION FOR
ATTORNEYS' FEES AND EXPENSES, AND SETTLEMENT FAIRNESS HEARING**

If you purchased or otherwise acquired securities of The Medicines Company ("MDCO" or the "Company") between January 8, 2013 and February 12, 2014, both dates inclusive (the "Class Period"), you could be entitled to a payment from a class action settlement (the "Settlement").

A federal court authorized this Notice. It is not a solicitation from a lawyer.

- The Court will hold a Settlement Hearing on _____ to decide whether to approve the Settlement. If approved by the Court, the Settlement will provide \$4,250,000, plus interest earned thereon (the "Settlement Amount"), to pay claims of investors who purchased or otherwise acquired MDCO securities during the Class Period.
- The Settlement represents an average recovery of \$0.13 per share of MDCO stock for the estimated 33.6 million shares that Lead Plaintiff alleges were damaged and declined in value as a result of Defendants' alleged misconduct during the Class Period.¹ This estimate solely reflects the average recovery per MDCO share before deducting attorney fees and expenses. This is not an estimate of the actual recovery per share you should expect. Your actual recovery will depend on the aggregate losses of all Class Members, the date(s) you purchased and sold MDCO securities, and the total number of valid claims filed. See the Plan of Allocation on p. 12 below for more details.

¹ All recoveries per share estimated are exclusive of the 1% of the Net Settlement Fund that has been allocated for potential claims based on losses resulting from options transactions. See the Plan of Allocation at p. 12.

- To claim your share of the Settlement, you must submit a valid Proof of Claim and Release form by _____.
- Attorneys for the Lead Plaintiff (“Lead Counsel”) intend to ask the Court to award them fees of up to 33% of the Settlement Amount and reimbursement of up to \$32,500 in litigation expenses. Since the Action’s inception, Lead Counsel have expended considerable time and effort in the prosecution of this litigation on a contingent-fee basis and advanced the expenses of the litigation in the expectation that if they were successful in obtaining a recovery for the Class, they would be paid from such recovery. Lead Counsel also intends to ask the Court to grant Lead Plaintiff an award not to exceed \$3,500. Collectively, the attorneys’ fees and litigation expenses and the award to Lead Plaintiff are estimated to average \$0.04 per damaged MDCO share. The average cost per damaged share will vary depending on the number of acceptable Proofs of Claim submitted. If approved by the Court, these amounts will be paid from the Settlement Fund.
- The approximate recovery, after the deduction of attorneys’ fees and expenses approved by the Court, is an average of \$0.08 per damaged MDCO share. This estimate is based on the assumptions set forth in the preceding paragraph. Your actual recovery, if any, will vary depending on your purchase price and sales price and the number of valid Proof of Claim forms filed.
- The Settlement resolves the lawsuit concerning whether Defendants violated the federal securities laws by allegedly issuing materially false and misleading statements. All Defendants in the action deny the allegations in the lawsuit and deny any wrongdoing. Defendants and Plaintiffs disagree on liability and on how much money the investors could have won if they prevailed at trial. Plaintiffs believe that, if they prevailed on all their claims and the Court accepted their theory of damages, that they would have been able to collect a substantial amount of monies, before deductions for fees and expenses and assuming that the full amount of the judgment was collectable. Defendants believe that they have not engaged in any wrongdoing, committed any violation of law, or acted improperly in any way. They expressly have denied and continue to deny all charges of wrongdoing, fault or liability against them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Litigation.
- Your legal rights will be affected whether you act or do not act. If you do not act, you may permanently forfeit your right to recover on any claim you might have. Therefore, you should read this notice carefully.

BASIC INFORMATION

1. Why did I get this notice package?
--

You or someone in your family may have purchased or otherwise acquired MDCO securities between January 8, 2013 and February 12, 2014 (the "Class Period").

The Court directed that this Notice be sent to Class Members because they have a right to know about the proposed Settlement of this class-action lawsuit and about all of their options before the Court decides whether to approve the Settlement. If the Court approves the Settlement and after objections and appeals—if any—are resolved, the Claims Administrator appointed by the Court will make the payments provided for in the Settlement.

2. What is this lawsuit about?

This case is known as *Schuler v. The Medicines Co., et al.*, Case No. 2:14-cv-01149-CCC-MF (the “Action”). The United States District Court for the District of New Jersey is in charge of the Action and the case has been assigned to the Honorable Claire C. Cecchi. The individual representing the Class is the “Lead Plaintiff,” and the company and individuals he sued and who have now settled are called the Defendants.

This Action brings claims against The Medicines Company (“MDCO” or the “Company”); Clive A. Meanwell, the Company’s Chief Executive Officer and Chairman; Glenn P. Sblendorio, the Company’s former Chief Financial Officer, Treasurer, and Director; and Paul M. Antinori, the Company’s former Senior Vice President, General Counsel, and Secretary.

MDCO is a pharmaceutical company that provides medical solutions to acute- and intensive-care hospitals worldwide, focusing on acute cardiovascular care, surgery and perioperative care, and serious infectious disease care. During the Class Period, one of its most promising prospects was cangrelor, an anti-platelet blood thinner designed to prevent clotting during percutaneous coronary intervention (“PCI”), also known as coronary angioplasty. PCI is a non-surgical procedure used to open an obstructed coronary artery by inserting a balloon-tipped catheter into the artery and then inflating the balloon at the obstruction site. Usually, PCI also includes the placement of a small tube (a stent) to keep the artery open.

Lead Plaintiff asserts claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Securities and Exchange Commission Rule 10b-5. Lead Plaintiff alleges that, between January 8, 2013 and February 12, 2014, Defendants made false and misleading statements about cangrelor, the conduct and results of its final clinical trial, and its prospects for FDA approval. Lead Plaintiff further alleges that investors were harmed on February 10, 2014, when the FDA released Briefing Documents criticizing the cangrelor drug trial and on February 12, 2014, when the FDA advisory panel voted to recommend against approving cangrelor.

3. Why is this a class action?

In a class action, one or more people called plaintiffs sue on behalf of people who have similar claims. All of the people with similar claims are referred to as a class or class members. One court resolves the issues for all class members, except for those who exclude themselves from the class.

4. Why is there a settlement?

This Action has been litigated since February 2014. This Action has not gone to trial, and the Court has not decided in favor of either side. Instead, both sides agreed to the Settlement to avoid the distraction, costs, and risks of further litigation.

Lead Plaintiff and Lead Counsel believe that the Settlement provides the Class with a benefit now, instead of after years of further uncertain litigation, and is in the best interests of all Class Members in light of the real possibility that continued litigation could result in no recovery at all. Continuing to litigate the case would require all parties to expend substantial resources. If the Action continued, fact discovery would be extremely expensive, both sides would likely engage expert witnesses, and Lead Plaintiff believes that much of the proof would be highly technical, making the outcome of any trial unpredictable.

Defendants have denied and continue to deny each and all of the allegations made and claims brought by Lead Plaintiff and maintain that they have meritorious defenses. Defendants have also denied and continue to deny, *inter alia*, the allegations that Lead Plaintiff or the Class have suffered damages, that the prices of MDCO securities were artificially inflated by reason of alleged misrepresentations, non-disclosures, or otherwise, or that Lead Plaintiff or the Class were harmed by the conduct alleged. Nonetheless, Defendants have concluded that further litigation of this Action would be protracted and expensive and that the Action should be fully and finally settled under the terms and conditions of this Settlement.

The Settlement shall in no event be construed as, or deemed to be evidence of, an admission or concession by Released Defendant Parties with respect to any claim of any fault or liability or wrongdoing or damage to the Class Members in this Litigation.

WHO IS IN THE SETTLEMENT

To see if you will get money from this Settlement, you first have to decide if you are a Class Member.

5. How do I know if I am part of the Settlement?

The Class includes all persons or entities that purchased or otherwise acquired MDCO securities² between January 8, 2013 and February 12, 2014, except those persons and entities that are excluded, as described below.

If one of your mutual funds own MDCO securities, that alone does not make you a Class Member. You are a Class Member only if you directly purchased or otherwise acquired MDCO securities during the Class Period. Contact your broker to see if you have made any of these purchases.

² For a list of MDCO securities for which an Authorized Claimant may be entitled to receive a distribution from the Net Settlement Fund, see the Plan of Allocation below.

If you sold MDCO securities during the Class Period, that alone does not make you a Class Member. You are a Class Member only if you purchased or otherwise acquired MDCO securities during the Class Period.

6. Are there exceptions to being included?

Yes. You are not a Class Member if you are a Defendant; a member of a Defendant's immediate family; a Defendant's legal representative, heir, predecessor, successor, or assign; a current or former director or officer of the Company during the Class Period; any entity in which any Defendant has or had a controlling interest or which is related to or affiliated with any Defendant; or the legal representative, agent, heir, successor, or assign of any such excluded party. Also, if you validly exclude yourself from the Class in accordance with the requirements set forth below, you are not a part of the Class.

7. What if I am still not sure if I am included?

If you are still not sure whether you are included, you can ask for free help. You can contact the Claims Administrator toll-free at (800) 327-3664, or you can fill out and return the Proof of Claim form enclosed with this Notice package, to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU GET

8. What does the Settlement provide?

In exchange for the Settlement and the release of the Released Claims (defined below) as well as dismissal of the Action, Defendants have agreed that a payment of \$4.25 million will be made by Defendants (or on their behalf) to be divided, after taxes, fees, and expenses, *pro rata* among all Class Members who send in a valid Proof of Claim form.

9. How much will my payment be?

Your share of the fund will depend on several factors, including the following: how many Class Members submit timely and valid Proof of Claim forms; the total Recognized Losses (as defined in the Plan of Allocation below) represented by the valid Proof of Claim forms that the Class Members send in; the number of MDCO securities that you purchased or acquired during the Class Period; how much you paid for them; when you purchased them; and if you sold them and for how much.

By following the instructions in the Plan of Allocation, you can calculate what is called your Recognized Loss. It is unlikely that you will get a payment for all of your Recognized Loss. After all Class Members have sent in their Proof of Claim forms, the payment you get will be a

part of the Net Settlement Fund equal to your Recognized Loss divided by the total of everyone's Recognized Losses. See the Plan of Allocation at page 13 for more information.

HOW YOU GET A PAYMENT – SUBMITTING A CLAIM FORM

10. How can I get a payment?

To qualify for a payment, you must submit a Proof of Claim form. A Proof of Claim form is enclosed with this Notice and may be downloaded at www.epiqsystems.com. Read the instructions carefully, fill out the Proof of Claim form, include all the documents that the form asks for, sign it, and mail or submit it online so that it is postmarked or received no later than _____. The claim form may be submitted online at www.epiqsystems.com.

11. When would I get my payment?

The Court will hold a Settlement Hearing on _____ to decide whether to approve the Settlement. If the Court approves the Settlement, there might be appeals afterwards. It is always uncertain whether these appeals can be resolved, and resolving them can take time, perhaps more than a year. It also takes time for all the Proofs of Claim to be processed. Please be patient.

12. What am I giving up to get a payment or to stay in the Class?

Unless you exclude yourself, you will remain a Class Member, and this means that, if the Settlement is approved, you will give up all “Released Claims,” including “Unknown Claims,” against the “Released Defendant Parties” (as all of these terms are defined below):

- “Released Claims” means and includes any and all claims, debts, demands, controversies, obligations, losses, costs, interest, penalties, fees, expenses, rights, rights of recovery, duties, judgments, actions, sums of money, suits, contracts, agreements, promises, damages, causes of action, and liabilities of any and every kind, description, and nature whatsoever (including, but not limited to, any claims for damages (whether compensatory, special, incidental, consequential, punitive, exemplary or otherwise), injunctive relief, declaratory relief, rescission or rescissionary damages, interest, attorneys’ fees, expert or consulting fees, costs, expenses, or any other form of legal or equitable relief whatsoever), whether based on federal, state, local, foreign, statutory, common, administrative, or any other law, statute, rule, or regulation, whether fixed or contingent, accrued or unaccrued, liquidated or unliquidated, at law or in equity, matured or unmatured, whether class or individual in nature, including both known claims and Unknown Claims (i) asserted in the Action; (ii) that any Releasing Plaintiff could have asserted in the Action, including those concerning, arising from or out of, relating

to, in connection with, or based on statements Plaintiffs allege in the Action were false or misleading, or any of the alleged acts, commissions, omissions, representations, facts events, matters, transactions, or occurrences asserted in or relating to the Action; or (iii) that arise from or out of, related to, are in connection with, or are based on any Releasing Plaintiffs' purchase, acquisition, disposition, or sale of, MDCO securities from January 8, 2013 and February 12, 2014, that were or might have been asserted on behalf of themselves, their heirs, executors, administrators, successors, and assigns against Released Defendant Parties, or any of them. However, Released Claims do not include: (1) claims to enforce the Settlement, and (2) shareholder derivative claims already asserted or to be asserted in any action.

- “Released Defendant Parties” means Defendants The Medicines Company, Clive A. Meanwell, Glenn P. Sblendorio, and Paul M. Antinori, collectively and each of them; each of any Defendant’s past or present directors, officers, employees, partners, principals, members, insurers, co-insurers, re-insurers, controlling shareholders, attorneys, advisors, accountants, auditors, personal or legal representatives, predecessors, successors, parents, subsidiaries, divisions, joint ventures, assigns, spouses, estates, executors, administrators, heirs, or related or affiliated entities; any entity in which any Defendant has a controlling interest; any member of any Defendant’s immediate family, including past, present, or future children, stepchildren, parents, stepparents, spouses (including husbands, wives, and partners in a state-recognized domestic relationship or civil union), siblings, parents-in-law, and siblings-in-law; and any trust of which any Defendant is the settlor or which is for the benefit of any member of an Defendant’s immediate family, including past, present, or future children, stepchildren, parents, stepparents, spouses (including husbands, wives, and partners in a state-recognized domestic relationship or civil union), siblings, parents-in-law, and siblings-in-law.
- “Unknown Claims” means and includes any and all claims that one or more Releasing Plaintiff does not know or suspect to exist in his, her or its favor at the time of the release of the Released Defendant Parties. This includes claims which, if known by him, her or it, might have affected his, her or its settlement with and release of the Released Defendant Parties, or might have affected his, her or its decision(s) with respect to the Settlement and the Released Claims, including his, her, or its decision to object or not to object to this Settlement. The Settling Parties expressly acknowledge, and the Releasing Plaintiffs by operation of the Judgment shall have, and shall be deemed to have expressly waived and relinquished any and all provisions, rights and benefits conferred by any law of any state or territory of the United States or any other jurisdiction, or principle of

common law that is or is similar, comparable or equivalent to California Civil Code § 1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Plaintiffs, Releasing Plaintiffs, or Released Defendant Parties may hereafter discover facts, legal theories, or authorities in addition to or different from those which he, she, or it now knows or believes to be true with respect to the subject matter of the Released Claims, but Plaintiffs and Defendants expressly, fully, finally, and forever settle and release, and each other Releasing Plaintiff and Released Defendant Party shall be deemed to have settled, released, and upon the Effective Date and by operation of the Judgment shall have settled and released, fully, finally, and forever, any and all Released Claims, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. The Settling Parties expressly acknowledge, and each other Releasing Plaintiff and Released Defendant Party by operation of law shall be deemed to have acknowledged, that the inclusion of Unknown Claims in the definition of Released Claims was separately bargained for and a material element of the Settlement.

If you remain a member of the Class, all of the Court's orders will apply to you and legally bind you.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this Settlement, and you want to keep the right to sue any Released Defendant Party on your own about the legal issues in this case, then you must take steps to remove yourself from the Settlement. This is called excluding yourself—sometimes referred to as “opting out.”

13. How do I get out of the proposed Settlement?

To exclude yourself from the Class, you must send a letter by First-Class Mail stating that you “request exclusion from the Class in the *MDCO Securities Litigation*.” Your letter must include the date(s), price(s), and number(s) of all purchases and sales of MDCO securities during the Class Period. In addition, you must include your name, address, telephone number, and your signature. You must submit your exclusion request so that it is **received no later than** _____ **to:**

MDCO Securities Litigation
Claims Administrator
P.O. Box _____
Portland, OR 97208-_____

If you have submitted a Request for Exclusion and later wish to revoke it, you may do so by submitting a written request to the Claims Administrator such that it is received no later than seven (7) days before the Final Approval Hearing. A revocation of a Request for Exclusion must be signed, must provide the Class Member's name, address, and telephone number, and must state that the Class Member wishes to revoke his or her Request for Exclusion.

14. If you ask to be excluded and do not timely revoke your request, you will not get any payment, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit, and you may be able to sue the Defendants and the other Released Defendant Parties in the future. **If I do not exclude myself, can I sue the Defendants and the other Released Defendant Parties for the same thing later?**

No. Unless you exclude yourself, you give up any rights to sue any Released Defendant Parties for any and all Released Claims. If you have a pending lawsuit against the Released Defendant Parties, speak to your lawyer in that case immediately. You must exclude yourself from this Action to continue your own lawsuit. Remember, the exclusion deadline is _____.

15. **If I exclude myself, can I get money from the proposed Settlement?**

No. If you exclude yourself, you may not send in a Proof of Claim to ask for any money. But you may sue or be part of a different lawsuit against the Released Defendant Parties.

THE LAWYERS REPRESENTING YOU

16. **Do I have a lawyer in this case?**

The Court ordered that the law firm of Pomerantz LLP represent the Class Members, including you. These lawyers are called Lead Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

17. **How will the lawyers be paid?**

Lead Counsel will move the Court for an award of attorneys' fees in an amount not greater than 33 percent of the Settlement Fund and for expenses and costs in an amount not to exceed \$30,000 in connection with the litigation, plus interest on such fees, costs, and expenses at the same rate earned by the Settlement Fund. Such sums as may be approved by the Court will be paid from the Settlement Fund.

OBJECTING TO THE SETTLEMENT

18. How do I tell the Court that I object to the proposed Settlement?

If you are a Class Member, you can object to the proposed Settlement, the proposed Plan of Allocation, and/or Lead Counsel's fee, cost, and expense application. You can write to the Court setting out your objection. The Court will consider your views. To object, you must send a signed letter saying that you object to the proposed Settlement in the *MDCO Securities Litigation*. Be sure to include your name, address, telephone number, and your signature, identify the date(s), price(s), and number(s) of MDCO securities during the Class Period that you purchased or otherwise acquired during the Class Period, and state the reasons why you object to the proposed Settlement. Your objection must be filed with the Court and mailed or delivered to each of the following addresses such that it is **received no later than** _____:

COURT	LEAD COUNSEL	DEFENDANTS' COUNSEL
Clerk of the Court United States District Court District of New Jersey Martin Luther King Building & U.S. Courthouse 50 Walnut Street Newark, New Jersey 07101	Jeremy A. Lieberman POMERANTZ LLP 600 Third Avenue 20th Floor New York, NY 10016	Michael G. Bongiorno WILMER CUTLER PICKERING HALE AND DORR LLP 7 World Trade Center 250 Greenwich Street New York, New York 10007

19. What is the difference between objecting and excluding myself?

Objecting is simply telling the Court that you do not like something about the proposed Settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend, and you may ask to speak, but you do not have to.

20. When and where will the Court decide whether to approve the proposed Settlement?

The Court will hold a Settlement Hearing at _____, at _____ .m., at the United States District Court for the District of New Jersey in the Martin Luther King

Building & U.S. Courthouse, 50 Walnut Street, Courtroom 2B, Newark, New Jersey 07101, for the following: to determine whether the proposed Settlement of the Litigation on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate to the Class and should be approved by the Court; to determine whether an Order and Final Judgment as provided in the Stipulation should be entered; to determine whether the proposed Plan of Allocation should be approved; to determine any amount of fees, costs, and expenses that should be awarded to Plaintiffs' Counsel and Plaintiffs for their service to the Class; to hear any objections by Class Members to the Stipulation or Plan of Allocation or any award of fees and expenses to Plaintiffs' Counsel or to Plaintiffs; and to consider such other matters as the Court may deem appropriate.

If there are objections, the Court will consider them. The Court will listen to people who have asked to speak at the hearing. The Court may also decide how much to pay to Lead Counsel. After the Settlement Hearing, the Court will decide whether to approve the Settlement.

We do not know how long these decisions will take. You should be aware that the Court may change the date and time of the Settlement Hearing without another notice being sent to Class Members. If you want to attend the hearing, you should check with Lead Counsel beforehand to be sure that the date and/or time has not changed.

<p>21. Do I have to come to the hearing?</p>

No. Lead Counsel will answer questions the Court may have. But you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. Class Members do not need to appear at the hearing or take any other action to indicate their approval.

<p>22. May I speak at the hearing?</p>

If you object to the Settlement, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (see question 18 above) a statement saying that it is your "intention to appear in the *MDCO Securities Litigation*." Persons who intend to object to the Settlement, the Plan of Allocation, and/or the application for an award of attorneys' fees, costs, and expenses and desire to present evidence at the Settlement Hearing must include in their written objections the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. You cannot speak at the hearing if you exclude yourself.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you will get no money from this Settlement. But, unless you exclude yourself, you will not be able to start a lawsuit or be part of any other lawsuit against the Released Defendant Parties about the legal issues in this case, ever again.

GETTING MORE INFORMATION

24. Are there more details about the proposed Settlement?

This Notice summarizes the proposed Settlement. More details are in a Stipulation of Settlement dated February 12, 2016 (the “Stipulation”). The Stipulation is the controlling document describing the proposed Settlement and its terms govern anything to the contrary in this Notice. You can get a copy of the Stipulation and obtain answers to common questions regarding the proposed Settlement by contacting the Claims Administrator toll-free at (XXX) XXX-XXXX. A copy of the Stipulation is also available on the Claims Administrator’s website at www.epiqsystems.com.

25. How do I get more information?

PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG CLASS MEMBERS

The Settlement Amount of \$4.25 million and any interest earned thereon shall be the “Settlement Fund.” The Settlement Fund, less all taxes, approved costs, fees, and expenses (the “Net Settlement Fund”) will be distributed to Class Members who submit timely and valid Proof of Claim forms to the Claims Administrator (“Authorized Claimants”).

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants based on their respective alleged economic losses as a result of the alleged fraud, as opposed to losses caused by market- or industry-wide factors, or company-specific factors unrelated to the alleged fraud. The calculations made pursuant to the Plan of Allocation are generally based upon the measure of damages set forth in Section 10(b) of the

Securities Exchange Act of 1934 and Rule 10b-5 promulgated thereunder by the Securities and Exchange Commission.

MDCO securities for which an Authorized Claimant may be entitled to receive a distribution from the Net Settlement Fund (the “Eligible Securities”) consist of the following:

- i. MDCO common stock purchased or otherwise acquired during the Class Period (“MDCO Common Stock” or “Stock”)³;
- ii. Exchange-traded call options on MDCO Common Stock purchased or otherwise acquired during the Class Period (“Call Options”);
- iii. Exchange-traded put options on MDCO Common Stock sold (written) during the Class Period (“Put Options”).

The Settlement Administrator shall determine each Authorized Claimant’s share of the Net Settlement Fund based upon the recognized loss formula (the “Recognized Loss”) described below. A Recognized Loss will be calculated for each share of MDCO Common Stock and/or Call Option purchased or otherwise acquired during the Class Period, and for each Put Option sold during the Class Period. The calculation of Recognized Loss will depend upon several factors, including when each Eligible Security was purchased and/or sold during the Class Period, and for what amounts.

The Recognized Loss is not intended to estimate the amount a Class member might have been able to recover after a trial; nor to estimate the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. The Settlement Administrator will use its best efforts to administer and distribute the Net Settlement Fund to the extent that it is equitably and economically feasible.

Initially, 99% of the Net Settlement Fund will be allocated to the payment of claims that are based on Recognized Losses for MDCO Common Stock, and 1% of the Net Settlement Fund will be allocated to the payment of claims based on Recognized Losses for Call Options and Put Options.⁴

If the sum total of Recognized Losses for MDCO Common Stock for all Authorized Claimants is greater than 99% of the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its pro rata share. The pro rata share shall be the Authorized Claimant’s Recognized Losses for MDCO Common Stock divided by the sum total of Recognized Losses for MDCO Common Stock of all Authorized Claimants, multiplied by 99% of the Net Settlement Fund.

³ During the Class Period, MDCO common stock was listed on the NASDAQ Global Select Market under the ticker symbol “MDCO.”

⁴ Call Options and Put Options account for less than 1% of the combined dollar volume of Eligible Securities traded during the Class Period.

Likewise, if the sum total of Recognized Losses for Call Options and Put Options for all Authorized Claimants is greater than 1% of the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its pro rata share. The pro rata share shall be the Authorized Claimant's Recognized Losses for Call Options and Put Options divided by the sum total of Recognized Losses for Call Options and Put Options of all Authorized Claimants, multiplied by 1% of the Net Settlement Fund.

In the unlikely event that the Net Settlement Fund allocated as such, is sufficient to pay 100% of either the MDCO Common Stock-based claims or the MDCO option-based claims, any excess amount will be used to pay the balance on the remaining claims. If the Net Settlement Fund is sufficient to pay 100% of the MDCO Common Stock-based claims and the MDCO option-based claims, any excess amount shall then be donated to an appropriate non-profit organization selected by Lead Counsel, in which Lead Counsel shall not have any financial interest or other affiliation.

The Court may approve the Plan of Allocation, or modify it, without additional notice to the Class. Any order modifying the Plan will be posted on the settlement website at: _____.

The Plan of Allocation was created with the assistance of a consulting damages expert, and reflects the assumption that the price of MDCO Common Stock was allegedly artificially inflated during the Class Period. The estimated alleged artificial inflation in the price of MDCO Common Stock during the Class Period is reflected in Table 1 below. The computation of the estimated alleged artificial inflation in the price of MDCO Common Stock during the Class Period is based on certain misrepresentations alleged by Lead Plaintiff and the price change in the Stock, net of market- and industry-wide factors, in reaction to the public announcements that allegedly corrected the misrepresentations alleged by Lead Plaintiff.

Federal securities laws allow investors to recover for losses caused by disclosures which corrected Defendants' previous misleading statements or omissions. Thus, in order to have been damaged by the alleged violations of the federal securities laws, shares of MDCO Common Stock and Call Options purchased or otherwise acquired during the Class Period must have been held during a period of time in which its price declined due to the disclosure of information which corrected an allegedly misleading statement or omission. Lead Plaintiff and Lead Plaintiff's Counsel have determined that such price declines occurred on February 10, 2014 and February 13, 2014 (the "Corrective Disclosure Dates"). Accordingly, if MDCO Common Stock or Call Options were divested (through sale, exercise or expiration) before February 10, 2014 (the earliest Corrective Disclosure Date), the Recognized Loss for those shares or options is \$0.00, and any loss suffered is not compensable under the federal securities laws. Likewise, if MDCO Common Stock or Call Options were purchased/acquired on or after February 10, 2014 and subsequently divested before February 13, 2014, the Recognized Loss for those shares or options is \$0.00. With respect to Put Options, those options must have been sold (written) during the Class Period and not closed out (through repurchase, exercise or expiration) through at least one of the Corrective Disclosure dates in order to have been damaged by the alleged violations of the federal securities laws.

Table 1 Alleged Artificial Inflation in MDCO Common Stock⁵		
From	To	Alleged Per-Share Price Inflation
January 8, 2013	February 9, 2014	\$6.09

The “90-day look back” provision of the Private Securities Litigation Reform Act of 1995 (“PSLRA”) is incorporated into the calculation of the Recognized Loss for MDCO Common Stock. The limitations on the calculation of the Recognized Loss imposed by the PSLRA are applied such that losses on shares of MDCO Common Stock purchased/acquired during the Class Period and held as of the close of the 90-day period subsequent to the Class Period (the “90-day look back period”) cannot exceed the difference between the purchase price paid for MDCO Common Stock and the average price of MDCO Common Stock during the 90-day look back period. The Recognized Loss on MDCO Common Stock purchased/acquired during the Class Period and sold during the 90-day look back period cannot exceed the difference between the purchase price paid for MDCO Common Stock and the rolling average price of MDCO Common Stock during the portion of the 90-day look back period elapsed as of the date of sale.

Recognized Loss Calculation for MDCO Common Stock

For each share of MDCO Common Stock purchased or otherwise acquired during the Class Period (i.e., January 8, 2013 through February 12, 2014, inclusive), the Recognized Loss per share shall be calculated as follows:

- i. For each share of MDCO Common Stock purchased/acquired during the period January 8, 2013 through February 9, 2014, inclusive,
 - a. and sold prior to February 10, 2014, the Recognized Loss is \$0.
 - b. and sold February 10, 2014 through February 12, 2014, the Recognized Loss is \$1.97.
 - c. and sold February 13, 2014 through May 13, 2014, inclusive (the 90-day period following the Class Period), the Recognized Loss is **the lesser of** (i) \$6.09 and (ii) the purchase/acquisition price (excluding all fees, taxes and commissions) minus the “90-Day Lookback Value” on the date of sale/disposition provided in Table 2 below. If this

calculation results in a negative number, then the Recognized Loss per share shall be \$0.

- d. and still held as of the opening of trading on May 14, 2014, the Recognized Loss per share shall be calculated as **the lesser of** (i) \$6.09 and (ii) the purchase/acquisition price (excluding all fees, taxes and commissions) minus the average closing price for MDCO Common Stock during the 90-day period following the Class Period, which is \$27.74. If this calculation results in a negative number, then the Recognized Loss per share shall be \$0.
- ii. For each share of MDCO Common Stock purchased/acquired during the period February 10, 2014 through February 12, 2012, inclusive,
 - a. and sold prior to February 13, 2014, the Recognized Loss is \$0.
 - b. and sold February 13 through May 13, 2014, inclusive (the 90-day period following the Class Period), the Recognized Loss is the lesser of (i) \$4.12 and (ii) the purchase/acquisition price (excluding all fees, taxes and commissions) minus the “90-Day Lookback Value” on the date of sale/disposition provided in Table 2 below. If this calculation results in a negative number, then the Recognized Loss per share shall be \$0.
 - c. and still held as of the opening of trading on May 14, 2014, the Recognized Loss per share shall be calculated as **the lesser of** (i) \$4.12 and (ii) the purchase/acquisition price (excluding all fees, taxes and commissions) minus the average closing price for MDCO Common Stock during the 90-day period following the Class Period, which is \$27.74. If this calculation results in a negative number, then the Recognized Loss per share shall be \$0.

Recognized Loss Calculation for MDCO Call Options

For each Call Option purchased or otherwise acquired during the Class Period (i.e., January 8, 2013 through February 12, 2014, inclusive), the Recognized Loss per option⁶ shall be calculated as follows:

1. For each Call Option purchased/acquired during the Class Period that was still held as of the opening of trading on one or more of the Corrective Disclosure Dates (i.e., on February 10, 2014 and/or February 13, 2014),
 - a. that was subsequently sold, the Recognized Loss per option is equal to the purchase/acquisition price per option (excluding all fees, taxes and commissions) **minus** the sale price per option (excluding all fees, taxes and commissions). If this calculation results in a negative number, then the Recognized Loss per option is \$0.
 - b. that was subsequently exercised, the Recognized Loss per option is equal to the purchase/acquisition price per option (excluding all fees, taxes and

⁶ Exchange-traded call (put) options are traded in units called contracts. Each call (put) option contract entitles the owner of the call (put) option contract to purchase (sell) 100 shares of the underlying stock upon exercise. Herein, one option means an option with one share of MDCO Common Stock as the underlying security.

commissions) **minus** the price per option on the date of exercise.⁷ If this calculation results in a negative number, then the Recognized Loss per option is \$0.

- c. that expired unexercised while still owned, the Recognized Loss per option is equal to the purchase/acquisition price per option (excluding all fees, taxes and commissions).

2. For each Call Option purchased/acquired during the Class Period that was not held at the opening of trading on one or more of the Corrective Disclosure Dates, the Recognized Loss per option is \$0.

No loss shall be recognized based on a sale or writing of any call option that was subsequently repurchased, exercised or expired.

Recognized Loss Calculation for MDCO Put Options

For each Put Option sold (written) during the Class Period (i.e., January 8, 2013 through February 12, 2014, inclusive), the Recognized Loss per option shall be calculated as follows:

- 1. For each Put Option sold (written) during the Class Period for which the Claimant was still obligated on at the opening of trading on one or more of the Corrective Disclosure Dates (i.e., on February 10, 2014 and/or February 13, 2014),
 - a. that was subsequently repurchased, the Recognized Loss per option is equal to the repurchase price per option (excluding all fees, taxes and commissions) **minus** the sale price per option (excluding all fees, taxes and commissions). If this calculation results in a negative number, then the Recognized Loss per option is \$0.
 - b. that was subsequently exercised (i.e., put to the Authorized Claimant), the Recognized Loss per option is equal to the price of the option on the date of exercise **minus** the sale price per option (excluding all fees, taxes and commissions).⁸ If this calculation results in a negative number, then the Recognized Loss per option is \$0.

⁷ The price of the option on the date of exercise shall be the closing price of MDCO Common Stock on the date of exercise minus the strike (exercise) price of the option.

⁸ The price of the option on the date of exercise shall be the strike (exercise) price of the option minus the closing price of MDCO Common Stock on the date of exercise.

c. that expired unexercised, the Recognized Loss per option is \$0.00.

2. For each Put Option sold (written) during the Class Period for which the Claimant was not obligated on at the opening of trading on one or more of the Corrective Disclosure Dates, the Recognized Loss per option is \$0.

No loss shall be recognized based on a purchase of any put option that was subsequently sold, exercised or expired.

INSTRUCTIONS APPLICABLE TO ALL CLAIMANTS

The payment you receive will reflect your proportionate share of the Net Settlement Fund. Such payment will depend on the number of eligible securities that participate in the Settlement, and when those securities were purchased and sold. The number of claimants who send in claims varies widely from case to case.

A purchase or sale of MDCO Eligible Securities shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

All purchase and sale prices shall exclude any fees and commissions.

Acquisition by Gift, Inheritance, or Operation of Law: If a Class Member acquired MDCO Eligible Securities during the Class Period by way of gift, inheritance or operation of law, such a claim will be computed by using the date and price of the original purchase and not the date and price of transfer. To the extent that MDCO Eligible Securities were originally purchased prior to commencement of the Class Period, the Recognized Loss for that acquisition shall be deemed to be Zero (\$0.00).

Notwithstanding any of the above, receipt of MDCO Eligible Securities during the Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase or sale of MDCO Eligible Securities.

The first-in-first-out (“FIFO”) basis will be applied to purchases and sales. Sales will be matched in chronological order, by trade date, first against the Eligible Securities held as of the close of trading on January 7, 2013 (the last day before the Class Period begins) and then against the purchases of Eligible Securities during the Class Period.

The date of covering a “short sale” is deemed to be the date of purchase of shares. The date of a “short sale” is deemed to be the date of sale of shares. In accordance with the Plan of Allocation, however, the Recognized Loss on “short sales” is zero. In the event that a claimant has an opening short position in MDCO Common Stock, the earliest Class Period purchases shall be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

With respect to MDCO Common Stock purchased or sold through the exercise of an option, the purchase/sale date of the Stock shall be the exercise date of the option and the purchase/sale price of the Stock shall be the exercise price of the option. Any Recognized Loss arising from purchases of MDCO Common Stock acquired during the Class Period through the exercise of an option on MDCO Common Stock⁹ shall be computed as provided for other purchases of MDCO Common Stock in the Plan of Allocation.

Payment according to the Plan of Allocation will be deemed conclusive against all Authorized Claimants. A Recognized Loss will be calculated as defined herein and cannot be less than zero. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its Recognized Loss as compared to the total Recognized Losses of all Authorized Claimants (see the Plan of Allocation for additional details). No distribution will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

Class Members who do not submit acceptable Proofs of Claim will not share in the Settlement proceeds. The Settlement and the Final Judgment and Order of Dismissal with Prejudice dismissing this Action will nevertheless bind Class Members who do not submit a request for exclusion and/or submit an acceptable Proof of Claim.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are unsatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Class Members and the claims-administration process, to decide the issue by submitting a written request.

Defendants, their respective counsel, and all other Released Defendant Parties will have no responsibility or liability whatsoever for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. Lead Plaintiff and Lead Counsel, likewise, will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of uncashed distribution checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Class Members who are entitled to participate in the distribution of the Net Settlement Fund cash their distributions, any balance remaining in the Net Settlement Fund after at least six (6) months after the initial distribution of

⁹ This includes (1) purchases of MDCO Common Stock as the result of the exercise of a Call Option and (2) purchases of MDCO Common Stock by the seller of a Put Option as a result of the buyer of such Put Option exercising that Put Option.

such funds will be used in the following fashion: (a) first, to pay any amounts mistakenly omitted from the initial disbursement; (b) second, to pay any additional settlement administration fees, costs, and expenses, including those of Lead Counsel as may be approved by the Court; and (c) finally, to make a second distribution to claimants who cashed their checks from the initial distribution and who would receive at least \$10.00, after payment of the estimated costs, expenses, or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. These redistributions shall be repeated, if economically feasible, until the balance remaining in the Net Settlement Fund is *de minimis* and such remaining balance will then be distributed to a non-sectarian, not-for-profit organization identified by Lead Counsel.

SPECIAL NOTICE TO SECURITIES BROKERS AND OTHER NOMINEES

CLASS ACTION

**[PROPOSED] FINAL JUDGMENT AND
ORDER OF DISMISSAL WITH PREJUDICE**

This matter came before the Court for a hearing pursuant to the Order Preliminarily Approving Settlement and Providing for Notice (“Notice Order”) dated _____, on the application of the Settling Parties for approval of the Settlement set forth in the Stipulation of Settlement dated February 12, 2016 (the “Stipulation”). This Court has jurisdiction over the subject matter of the Action and over all Settling Parties to the Action, including all Class Members. Due and adequate notice having been given to the Class pursuant to the Notice Order,

and the Court having considered all papers filed and proceedings had herein and otherwise being fully informed in the premises, it is hereby ORDERED that:

1. This Final Judgment and Order of Dismissal with Prejudice (“Judgment”) incorporates by reference the definitions in the Stipulation, and all capitalized terms used herein shall have the same meanings as set forth therein.

2. Pursuant to Fed. R. Civ. P. 23, the Court certifies, for purposes of settlement only, the following Class:

All persons who purchased or otherwise acquired the securities of The Medicines Company (“MDCO” or the “Company”) between January 8, 2013 and February 12, 2014, both dates inclusive (the “Class Period”).

Excluded from the Class are:

- a. Persons or entities who submit valid and timely requests for exclusion from the Class, as listed on Exhibit A; and
 - b. Defendants; the officers and directors of the Company at all relevant times; members of the immediate families of each Defendant; any person or entity in which any Defendant has a controlling interest or which is related to or affiliated with any Defendant; and the legal representatives, agents, heirs, successors or assigns of any such excluded party.
3. For the purposes of settlement only, the Court finds that the prerequisites for a class action under Federal Rules of Civil Procedure 23(a) and 23(b)(3) have been satisfied in that:
- a. The members of the Class are so numerous that joinder of all Class Members in the class action is impracticable;

- b. There are questions of law and fact common to the Class that predominate over any individualized questions;
 - c. The claims of Lead Plaintiff are typical of the claims of the Class;
 - d. Lead Plaintiff and Lead Counsel have fairly and adequately represented and protected the interests of Class Members; and
 - e. A class action is superior to other available methods for the fair and efficient adjudication of the controversy, considering:
 - i. the interests of the Class Members in individually controlling the prosecution of the separate actions;
 - ii. the extent and nature of any litigation concerning the controversy already commenced by Class Members;
 - iii. the desirability or undesirability of concentrating the litigation of these claims in this particular forum; and
 - iv. the difficulties likely to be encountered in the management of the class action.
4. The Court finds that the Stipulation and Settlement are fair, reasonable, and adequate under Federal Rule of Civil Procedure 23 as to each of the Settling Parties.
5. The Stipulation and Settlement are hereby finally approved in all respects. The Court authorizes and directs implementation of all the terms and provisions of the Stipulation.
6. The Court hereby dismisses with prejudice the Action and all claims contained therein and all of the Released Claims as against the Released Defendant Parties, except as and to the extent provided in the Stipulation and herein.

7. By operation of this Judgment and the Stipulation, upon the Effective Date, and as provided in the Stipulation, Releasing Plaintiffs shall have and shall be deemed to have fully, finally, and forever released, relinquished, and discharged each and every one of the Released Claims (including, without limitation, Unknown Claims) against the Released Defendant Parties, whether or not any such Releasing Plaintiff executes and delivers the Proof of Claim and Release.

8. By operation of this Judgment and the Stipulation, upon the Effective Date, Releasing Plaintiffs shall have and shall be deemed to have covenanted not to sue on any Released Claim against any Released Defendant Party.

9. By operation of this Judgment and the Stipulation, upon the Effective Date, Releasing Plaintiffs shall be and shall be deemed to be permanently enjoined and forever barred from suing on, instituting, prosecuting, continuing, maintaining or asserting, in any forum, either directly or indirectly, on their own behalf or on behalf of any class or other person, any Released Claims (including, without limitation, Unknown Claims) against any of the Released Defendant Parties, whether or not any such Releasing Plaintiff executes and delivers the Proof of Claim and Release forms.

10. The notice disseminated to the Class in accordance with the Notice Order was the best notice practicable under the circumstances, including the individual notice to all members of the Class who could be identified through reasonable effort. Said notice fully satisfied the requirements of Federal Rule of Civil Procedure 23, due process, Section 21D(a)(7) of the Securities Exchange Act of 1934, 15 U.S.C. § 78u-4(a)(7), as amended by the Private Securities Litigation Reform Act of 1995, and all other applicable law and rules.

11. Separate orders shall be entered regarding the proposed Plan of Allocation and any Fee and Expense Application filed by Lead Counsel. Any Plan of Allocation submitted by Lead Counsel or any order entered regarding any Fee and Expense Application shall in no way disturb or affect this Judgment and shall be considered separate from this Judgment.

12. Neither the Stipulation nor any of its terms or provisions, nor any of the negotiations, discussions, proceedings connected with it, nor any act performed or document executed pursuant to or in furtherance of the Stipulation or the Settlement: (a) is or may be offered or received against any Released Defendant Party as evidence or any presumption, concession, or admission by any Released Defendant Party with respect to the truth of any fact alleged by any Releasing Plaintiff or the validity of any claim (including Released Claims) that has been or could have been asserted in the Action or in any other action, or the deficiency of any defense that has been or could have been asserted in the Action or in any other action, or of any liability, negligence, fault, or wrongdoing of any Released Defendant Party; (b) is or may be offered or received against any of the Released Defendant Parties as evidence of presumption, concession, or admission of any fault, misrepresentation or omission with respect to any statement or written document approved or made by any Released Defendant Party; or (c) is or may be construed against any Released Defendant Party as an admission or concession that the consideration to be given hereunder represents the amount that could be or would have been recovered after trial. The Released Defendant Parties, Lead Plaintiff, Releasing Plaintiffs, and their respective counsel may file the Stipulation and/or this Judgment in any action that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim. The

Settling Parties may file the Stipulation and/or this Judgment in any proceedings that may be necessary to consummate or enforce the Stipulation, the Settlement, or this Judgment.

13. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing exclusive jurisdiction over: (a) implementation of this Settlement and any award or distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the Settlement Fund; (c) hearing and determining any Fee and Expense Applications in the Action; and (d) all Settling Parties hereto for the purpose of construing, enforcing, and administering the Stipulation.

14. The Court finds that during the course of the Action, the Settling Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11.

15. In the event that the Settlement is Terminated, or in the event that the Settlement Fund, or any portion thereof, is returned to Defendants, then this Judgment shall be vacated and rendered null and void in accordance with the Stipulation. In such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Stipulation.

16. The Settling Parties may agree to reasonable extensions of time to carry out any of the provisions of the Stipulation without further order of the Court.

17. The Court directs immediate entry of this Judgment by the Clerk of the Court.

IT IS SO ORDERED.
